

Activity 1

Meet the ULissers

Please refer to the table presented next page and identify the colleague you are associated with for this activity. Then contact that colleague (using the current virtual meeting tools) and ask him/her questions that will allow you to make his/her presentation.

You have to prepare a short document containing the following information about your fellow ULisser:

- Name
- Date of birth
- Home country
- University in which he/she is enrolled
- Current (and eventually) past study programmes
- Favorite hobby
- Favorite book and writer
- Favorite music artist (or band)
- One relevant personal characteristic
- Something you have in common

Don't forget to include a fun old photograph.

Finally, upload the document in the Moodle platform, in PDF format.
