

Activity 2

How much plastic do I use?

Alternatives to plastic containing products exist!

Reflect on your daily use of plastic and answer to the following questions:

- Where do I use plastic?
- Do non-plastic alternatives exist?
- How do I compare with others?

Answer these questions and write a short essay in the subject to share with us. To help you with this task, please visit the website:

www.mylittleplasticfootprint.org

Upload your document in the Moodle platform in PDF format.
